

Sliding Doorsets – Tilt & Slide Only

The ROTO Patio 'Z' door system, used in our tilt and slide doors, allows users to tilt the master door in each unit. Using hinges in the bottom run, this facility allows ventilation at the top of the sliding door without creating a full opening.

SPECIFICATION IN BRIEF

Timber	100% engineered defect free timber sourced from well-managed forests
Treatment	Preservative treated against insect/fungal attack
Sealants	Teknoseal 4000 end grain and Teknoseal 4001 V-joint sealers
